Notice To National Democrats.

A mass meeting of the National Democrats of the Fourteenth Judicial District, composed of the counties of Bourbon, Franklin, Scott and Woodford, is hereby called to meet at the Court-house, in the city of Georgetown, Ky., on Wednesday, Sept. 29, 1897, at 1:30 p. m., standard time, for the purpose of nominating candidates for Circuit Judge and Commonwealth's Attorney.

A. T. FORSYTH,
District Chairman.

PARIS, KY., Sept. 28, 1897.

The Hunter bribery trial at Frankfort developed some splendid prevaricators.

GEN. TRACEY is willing to accept a Republican nomination for mayor of Greater New York.

DR. HUNTER has declined the mission to Guatemala. Hunter refuses to be lost to old Kentucky.

W. F. SCHOOLER, editor of the Moorehead Advance, is the Republican nominee for Representative from Bath and Rowan counties.

The Detroit Free Press says the latest "cross of gold" amounted to \$4,000,000. It came from Europe and was in payment of American wheat.

EDITOR J. R. GARRETT has revived the Georgetown Enterprise and now issues it on Monday and Thursday. The paper is better than ever.

CHAIRMAN JONES has broken loose some more. He says the Silver Democratic National Committee will not interfere in the coming mayoralty contest in Greater New York.

Two of the banks of Georgetown keep open on Saturday night until nine o'clock to receive deposits and accommodate their patrons, and another bank has been organized for business in that city. The calamity shouters might smoke this awhile.

The official report of the New York trade unions shows an increase of thirty-four per cent. in the number of people employed. The starting of the mills instead of the mints is what makes the times better. Stop the silver agitation and just watch things hum.

ALLEN O. MYERS, he of the unsavory record, who says he has been working eighteen hours a day trying to save Ohio, let go his hold long enough to slip over to Owenton, Ky., yesterday and make a silver speech. If Ohio—or Kentucky—go wrong, the blame may be laid at Allen's door.

THE McKinley administration is not consistent. The schools at West Point and Annapolis are for the express purpose of teaching the boys the usages of battle and yet Secretary Alger has forbidden the annual game of football between the two colleges—thus depriving the boys of much actual experience.

The "Heart of Chicago" is being played by four companies.

Lavinia Shannon, who is well known in the Bluegrass, is a leading member of the cast of "Miss Frances of Yale."

Dollie Theobald, the toy soubrette, is with Finnegan's Fortune, this season. She is Mrs. Howard Power in private life.

R. E. Graham, who comes to the Paris Grand soon is appearing in a very funny new comedy called "Who's Your Friend?" He is supported by a good company.

THE VERISCOPE.

The veriscope, presenting an exact reproduction of the Corbett-Fitzsimmons fight, will be seen at the Opera House to-morrow afternoon and evening. This machine is the one which first presented the pictures at the Academy of Music in New York. The veriscope pictures are the only ones of this great contest and they show every action and incident of this contest between the leading modern gladiators as clearly and as accurately as if the spectator was at the ring-side in Carson City watching the original contest. The veriscope should attract large audiences here.

LANCASTER & NORTHCOTT will sell at auction on Saturday afternoon, five building lots adjoining Clayville.

STOCK AND TURF NEWS.

Sales and Transfers Of Stock, Crop, Etc. Turf Notes.

Will Whaley shipped two cars of milch cows Saturday to Pennsylvania parties.

Ben Hall, of Montgomery, has sold 10,000 pounds of tobacco at ten cents per pound.

Brice Steele's colt, Count Navarro, won a \$300 purse Saturday at the Oakley track.

Bourbon farmers have been busy for a week sowing wheat. The indications are that a very large crop will be sown.

Ben Wright, of Bath, sold to J. B. Embury, of Nicholasville, 118 1,500-lb export cattle at 4½ cts. They were shipped from Mt. Sterling Thursday to Liverpool.

Jesse Turney captured a \$10 premium on a roadster stallion Thursday at the Maysville fair. Carpenter & Hunter, of Millersburg, won two premiums, and Jas. Donnell, of Carlisle, got one, on fancy horses, the same day.

Hearing Joe Ullman "beefing" over Cavalero being defeated by Dr. Catlett at Gravesend, Riley Grannan offered to bet \$10,000 that Dr. Catlett could repeat the trick. The bet was open to anyone but there were no takers.

Pat Watson 2:12½, a Transylvania candidate, worked the Lexington track last Wednesday, in 2:13, the last quarter in .30½, a 2:10 gait. The Transylvania will be trotted on Oct. 7, the third day of the Lexington meeting of Oct. 5 to 16.

The Glasgow Times says: J. T. Rihard, of Glasgow Junction, has contracted his whole crop of wheat of the 1898 yield to Hardin Davis, of Cave City, at seventy-five cents per bushel. Mr. Rihard is of the opinion that he has made a pretty good trade, and will put in a big crop.

In the weekly review of tobacco market prepared by Mr. Henry Glover, President of the Louisville Tobacco Warehouse Company, the 1897 Burley crop is estimated at only 50 per cent. of the yield last year, which was much below the average. Great damage was done by frosts and drought. The market is active and very high.

Weak Lungs

Hot weather won't cure weak lungs. You may feel better because out of doors more, but the trouble is still there. Don't stop taking your

Scott's Emulsion

because the weather happens to be warm. If you have a weak throat, a slight hacking cough, or some trouble with the bronchial tubes, summer is the best time to get rid of it. If you are losing flesh there is all the more need of attention. Weakness about the chest and thinness should never go together. One greatly increases the danger of the other. Heal the throat, cure the cough, and strengthen the whole system now. Keep taking Scott's Emulsion all summer.

THE DANGER

to which the Expectant Mother is exposed and the foreboding and dread with which she looks forward to the hour of woman's severest trial is appreciated by but few. All effort should be made to smooth these rugged places in life's pathway for her, ere she presses to her bosom her babe.

MOTHER'S FRIEND

allays Nervousness, and so assists Nature that the change goes forward in an easy manner, without such violent protest in the way of Nausea, Headache, Etc. Gloomy forebodings yield to cheerful and hopeful anticipations—she passes through the ordeal quickly and without pain—is left strong and vigorous and enabled to joyously perform the high and holy duties now devolved upon her. Safety to life of both is assured by the use of "Mother's Friend," and the time of recovery shortened.

"I know one lady, the mother of three children, who suffered greatly in the birth of each, who obtained a bottle of 'Mother's Friend' of me before her fourth confinement, and was relieved quickly and easily. All agree that their labor was shorter and less painful."

Comparative Tax Levies.

THE NEWS was yesterday shown an interesting table of figures, compiled by Judge H. C. Howard, from official figures secured from the respective clerks of a dozen contiguous bluegrass counties. Below is given the table which shows the tax levies (exclusive of State Levy, which is 53½ cents additional) of the various counties, and also what portion of the levy is to be devoted to road purposes. It will be noted that Bourbon's levy is 34½ cents, of which amount 25 cents goes to the road fund—leaving a net levy for county purposes of 9½ cents—a better showing than is made by any other county in the list.

Will Not Perform Miracles But It Will Cure.

DR. MILES' RESTORATIVE NERVE cures nervous prostration. Not miraculously, but scientifically, by first removing the germs of disease, and then supplying healthy nerve food, increasing the appetite, helping digestion and strengthening the entire system. Desperate cases require prolonged treatment as shown by that of Mrs. M. B. Reed, of Delta, Iowa, who writes: "As the result of a lightning stroke, the physicians said I had a light stroke of paralysis, my limbs would all draw up. I would have throbbings in my chest that seemed unendurable. For three months I could not sleep and for three weeks did not close my eyes. I prayed for sleep, and felt that if relief did not come I would be dead or insane. I took Dr. Miles' Restorative Nerve and the second night slept two hours and from that time on my health improved; slowly at first, but steadily and surely. I took in all 40 bottles, and I cannot express how grateful I am, for I am now perfectly well, and have taken no medicine for over four months." Dr. Miles' Nerve is sold by druggists on guarantee that first bottle benefits or money refunded. Book on heart and nerves free. Dr. Miles Medical Co., Elkhart, Ind.
